Flag set for the cabin

Where are you from? I'm from... Raise the flag and show the others in traffic, where you are from or where you are going. Flag set for the cabin - perfect for the table!

Rais your flag loud and proud and show them where you are from and or, where you are going with this flag set. The sets are available in different countries' flags and other trucker-related flags.

The set contains 2 flags that each measure 20x14cm, and are each placed on a flagpole in black with golden endings. Also included is a flag holder with 2 holes in it for the flags. Therefore you can switch around the flags as you like, so for example, if you are going from Denmark to Holland, you can have one of each.

The flag holder incl. flags measure 28cm in hight.

The sets are sold with 2 flags of the same kind.
