

Lightbase for small Scania V8 sign, IP65

LED lightbase for the small Scania V8 emblem, that is 75mm wide. Completely waterproof. Multiple options.

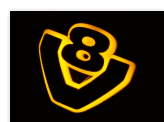

LED lightbase for the small Scania V8 emblem, that is usually placed on the hood opposite the model designation. The lightbase is 75mm wide. The base gives you a nice Neon-outline around the emblem, that is visible both day and night. The base is available with various colors.

It is made from impact resistant polycarbonate, and the light is potted in resin, making the base completely waterproof.
