

LED striplampe, indikator

A red strip-lamp that is ECE-approved indicator light. Immersed mounting or in a mounting bracket.

A red strip-lamp that is ECE-approved indicator light. The strip-lamp can be recessed on a surface (cut out 203x19) or you can mount it on a surface using a mounting bracket.

The slim lamp can be mounted anywhere due to its small size and depth. It is very sturdy and secured against vibrations, dust and water (IP67). There is a 5 years warranty from the manufacturer.

The lamp is ECE and EMC approved.
