

Prolumo Work BASIC 27W - LED worklamp, E-approved

E-Approved Work light with 9 powerful Osram LEDs. Wide viewangle and 1710 lumens output

E-Approved working lamp with 9 powerful Osram LEDs. Alu-house with powder-coating and stainless steel bracket. The light color is 6000K and lens of 60 degrees gives a good diffusion of light, suitable for work.

Includes brackets, bolts and nuts for fastening.

This is a brand new model with Osram LEDs that provide higher lumen at lower power consumption. It matches the traditional 27W models of light output, while the real consumption about 15W.
