

Flat LED tail Light, 12 - 24V

A very slim and nice tail light that is easily mounted with 3m tape. 3 models. ECE-approved and a 5-years warranty.

A beautiful thin LED tail light, where the red LED lights in both top and bottom are running / brake lights and turn signals in the middle. You just need to use the 3m tape on the back to mount it.

The lamp is completely waterproof and can be fully immersed in water (IP67). It is also protected against impacts and vibrations. A 5-years warranty from the manufacturer.

The lamps with additional stop may only be used with 24608140.

E-approved and EMC approved.

- WHITE: FRAME / -
- BROWN: DRIVING LIGHTS
- RED: BREAK LIGHTS
- YELLOW: INDICATOR LIGHTS
