## Garliano Plastic Front

Plastic-fronts for Garliano profiles in flat and/or tall models. The fronts are easily clicked on to the profiles.

Plastic-fronts for Garliano profiles in flat and/or tall models. The fronts are easily clicked on to the profiles.

The flat models is clicked down in to the profile, while the tall model will extend 11.5mm out and thus also give a wider light-scattering.

SKU 131267
