

DIODIM LED dimmer 5-25W 230V

DIODIM LED dimmer to wire 5-25W. Available in white and black

Do you need a dimmer switch for mounting directly on your lamp cord to your dimmable LED bulbs? Then we have the solution for you, with this DIODIM LED dimmer!

It works on almost all dimmable LED bulbs from 5-25W and 25-100W incandescent bulbs.

The dimmer is available in white and black

There are Danish and English instruction included in the set.
