

Serie 40 - Cable holder with clamps

Holder with clamps for fastening cables, hoses and similar to series 40 profiles.
Model for M4 bolt, and self-locking model available.

Smart holder with clamps for fastening cables, hoses and similar to series 40 profiles. It is available as a model for M4 bolt, and as self-locking model.

The two chambers are easily opened and closed again, without tools. The rubber ring in the chamber ensures that the cable is never loose in the holder.
